Then on the third at break of dawn,  
The Son of heaven rose again.  
O trampled death where is your sting?  
The angels roar for Christ the King

O praise the name of the Lord our God  
O praise His name forever more  
For endless days we will sing Your praise  
Oh Lord, oh Lord our God  
He shall return in robes of white,  
The blazing Son shall pierce the night.  
And I will rise among the saints,  
My gaze transfixed on Jesus' face

**Set your mind** 'Those who live in accordance with the Spirit have their minds set on what the Spirit desires.' Romans 8:5 NIV

To become the person God wants you to be, you must 'set your mind' on the right things. You say, 'If only my circumstances were different.' Your circumstances don't determine the quality of your life; how you think about them does. Poet Frederick Langbridge wrote, 'Two men looked out through prison bars; one saw mud, the other saw the stars.' Both men were in identical circumstances, but their perspectives were entirely different. One looked for beauty and found it; the other focused on ugliness and found it. It works like this: your circumstances in life produce certain emotions. So how do you change your emotional response when you feel powerless over people and circumstances? By changing how you think about them! True change always begins in your mind. The Bible says, 'As he thinketh in his heart, so is he' (Proverbs 23:7 KJV). The way you think inevitably reflects the way you live. So to become the best version of yourself, the person God wants you to be - think great thoughts! People who live great lives are people who habitually think great thoughts. You say, 'But I can't help thinking the way I do.' Then 'let God transform you into a new person by changing the way you think' (Romans 12:2 NLT). God's Word will help you to think with faith instead of fear, assurance instead of anxiety, and joy instead of negativity. Once you 'set your mind on what the Spirit desires', your life will begin to change for the better
