DEVOTIONAL EXCERPT

Dance is mentioned throughout the Bible, especially in response to God's saving actions.

At the time of the Exodus, Pharaoh's army were drowned but miraculously "the Israelites walked through the sea on dry ground" (Exodus 15:19). Moses' first reaction was to sing (v. 1), but Miriam, expressed her joy through dance and movement, (v. 20).

Even when our bodies are restricted by age or illness, the little movements we do—a turn of the head, perhaps, or opening of our hands can still express deep emotions.

Today, I'm thanking God for the gift of dance. Perhaps you might consider incorporating some movement, however small, in your prayer time.

“Then Miriam the prophet...took a tambourine in her hand, and all the women followed her, with tambourines and dancing. Exodus 19:20”
