

# Vision Statement

## **Pocklington Christian Fellowship Church**

Is a community of people who have experienced God's love and forgiveness through a relationship with His Son Jesus, people who love one another with extraordinary affection and grace and display love and compassion for our neighbours in Pocklington and the surrounding area.

We aim to make a difference in our communities through living out the commission of Christ Jesus by emulating both His words and actions found in the both the Old and New Testaments:

***The Spirit of the Sovereign Lord is on me,  
because the Lord has anointed me  
to proclaim good news to the poor.  
He has sent me to bind up the broken-hearted,  
to proclaim freedom for the captives  
and release from darkness for the prisoners,  
to proclaim the year of the Lord's favour  
(Isaiah 61; Luke 4)***

Through corporate worship, prayer and preaching translated into action, we seek to share the good news of Jesus Christ. To see people healed in body, soul and mind. People released from the bondage of a sinful, broken world and experiencing God's wonderful favour and blessing in their lives.

As such, we need to be:

### **A Growing Church**

A healthy church is a growing church, where we have the expectation of growth as God changes lives one person at a time.

### **Guided by the Holy Spirit**

We need to remember and put into action the prophetic promises of God to us down through the years and now.

### **Loving Pocklington**

God loves Pocklington and so we should show His love in many ways.

### **More than we can Imagine**

God has so much more in store than we can expect, visualise or dream of

**As we give and receive God's love upwards, inwards and outwards**

We will reach our community with the message of grace and forgiveness in Jesus!
